Phlebotomy Program Course Catalog

Mission and Objectives

Phlebotomy Training Specialists mission and objectives are to provide up to date, state of the art, Phlebotomy Training to individuals interested in receiving this training. The objective for PTS is to turn out high quality, well trained, competent Phlebotomists who can use their skills to benefit patients and employers.

Phlebotomy Training Specialists is a private institution that is approved to operate by the Bureau for Private Postsecondary Education. Approval means that the institution is in compliance with the California Private Postsecondary Act of 2009.

Program Description

The National Phlebotomy Certification Program through Phlebotomy Training Specialists is a 40 hour program in which students will learn the art of venipuncture. Students will learn both didactically and hands on during the class. We will cover anatomy, physiology of blood, equipment, venisection, lab processing, special specimen procurement, OSHA, CLIA regulations, centrifuging, microscope use, capillary punctures etc. Students are required to complete 40 full hours of Phlebotomy instruction during class, after which they must participate in a 40 hour externship opportunity. They are required to complete 80 hours of Phlebotomy Class and Externship course work in order to graduate the program. They will also be required to pass 12 chapter quizzes and score at least 80% on a practice exam.

Admission

In order to qualify for the California State Phlebotomy License as a CPT1 you must complete the following in addition to the 80 hour Phlebotomy Training Program with Phlebotomy Training Specialists

- Provide a High School Diploma or its equivalent.
- Complete 40 hours of Phlebotomy Instruction from Phlebotomy Training Specialists
- Complete 40 hours of Practical Instruction from during which time the student must complete 10 skin punctures and 50 venipunctures in the clinical setting.

Phlebotomy Training Specialists and their Phlebotomy Certification and Licensing program has not entered into any articulation agreements with other educational institutions in which they accept credits earned at other educational institutions.

Licensure

Upon completion of the aforementioned items a student can then apply to the Department of Laboratory Field Services for licensure as a CPT1.

Instructors / Qualifications

Brian Treu – Founder / CEO - Brian is the Founder, CEO and Owner of Phlebotomy Training Specialists. Brian and his staff are aggressively working on National expansion, opening schools next in Southern California with locations in Orange County, Los Angeles County and San Diego County, eventually expanding into 20 hand selected states and markets in the next 24 months. He understands blood, the systems tied thereto, and got this knowledge from perfecting the extraction of blood over the last 19 years performing in excess of 265,000 blood draws. Brian's career in medicine includes completing 255 clinical research trials in all facets of medicine, specializing in Phase I clinical trials, where drugs are first introduced into the human body. He relishes pressure and has an uncanny way of dealing with stressful situations.

His specialties include Blood Banking, ICU, Emergency Room Draws, Law Enforcement, Geriatrics and the state Prison System. His knowledge of the anatomy and ability to find tough veins has made him a highly sought after Phlebotomist by firms across the state of Utah. He has a dedicated understanding that to learn Phlebotomy, you MUST to have the option to perform A LOT of venipunctures, and with him on the staff of Phlebotomy Training Specialists, you are guaranteed to get the experience AND sticks you need to be an incredible Phlebotomist.

Brian has been training in Phlebotomy for nearly 20 years, and his school Phlebotomy Training Specialists has turned out over 50,000 Phlebotomists in that time making it one of the most successful Phlebotomy Schools in the World.

Student Services

Placement Policy

Phlebotomy Training Specialists does not do any formal job placement, but does do the following for students regarding employment.

1. There will be a video presentation which will explain the do's and don'ts of the interview process, and the best ways and tricks of the trade when it comes to getting a job. This video will also discuss interviewing techniques, resume writing amongst other things.
2. Employment presentation. We will teach you where phlebotomist's work as opposed to leaving you on your own to figure it out.
3. Externship Opportunities - We have these set up at local hospitals and military bases for students to participate in, and this makes you MUCH more employable.
4. We will pass on to you jobs we know about as we get requests quite frequently for applicants. As you can see from our Facebook page announcements.
5. Return Policy - We allow our students to come back to the class as many times as they want or need to free of charge forever to keep their skills sharp.

At this point we will work closely with you to participate in the externship opportunity for your required 40 clinical hours.

This enrollment agreement covers you as a student until you complete the mandatory 40 hours required for the CPT1 qualifications and associated 40 hour externship.

Financial Aid

Phlebotomy Training Specialists does not participate in any Federal or State Financial Aid programs.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

Students Achievement

Phlebotomy Training Specialists will be tracked throughout the class by quizzes and a final exam will be administered prior to be allowed to challenge the National Exam. Students must pass all quizzes with at least a 70% in order to continue and stay on track for graduation. Students may take quizzes on their own time with the instructor before or after class, but this time will not be applied to the 40 hour minimum.

Student Tuition Recovery Fund (STRF)

You must pay the state-imposed assessment for the Student Tuition Recovery Fund (STRF) if all of the following applies to you:

1. You are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all of part of your tuition either by cash, guaranteed student loans, or personal loans, and
2. Your total charges are not paid by any third-party payer such as an employer, government program or other payer unless you have a separate agreement to repay the third party.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment if either of the following applies:

1. You are not a California resident, or are not enrolled in a residency program, or
2. Your total charges are paid by a third party, such as an employer, government program or other payer, and you have no separate agreement to repay the third party.

The State of California created the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic losses suffered by students in educational programs who are California residents, or are enrolled in a residency program attending certain schools regulated by the Bureau for Private Postsecondary Education.

You may be eligible for STRF if you are a California resident or are enrolled in a residency program, prepaid tuition, paid STRF assessment, and suffered an economic loss as a result of any of the following:

1. The school closed before the course of instruction was completed.
2. The school's failure to pay refunds or charges on behalf of a student to a third party for license fees or any other purpose, or to provide equipment or materials for which a charge was collected within 180 days before the closure of the school.

3. The school's failure to pay or reimburse loan proceeds under a federally guaranteed student loan program as required by law or to pay or reimburse proceeds received by the school prior to closure in excess of tuition and other costs.
4. There was a material failure to comply with the Act or the Division within 30-days before the school closed or, if the material failure began earlier than 30-days prior to closure, the period determined by the Bureau.
5. An inability after diligent efforts to prosecute, prove, and collect on a judgment against the institution for a violation of the Act.

Financial

Phlebotomy Training Specialists does not have ANY pending petition in bankruptcy. PTS is NOT operating as a debtor in possession, PTS has NOT filed a petition within the preceding five years, nor has PTS had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code.

Award of Credit

Credit for prior experiential learning or experience will be awarded based on the lead instructor's assessment of the hands on skill set of the Phlebotomist. A 50 question exam will be given to determine intellectual knowledge of Phlebotomy. A \$100 assessment fee will be charged for determining credits to be applied to Phlebotomy class. Students can appeal by contacting the corporate office at 1-888-531-8378.
