When students finish the Phlebotomy class, they will still need to apply for licensing through the California Department of Public Health, Division of Laboratory Field Services. The average time frame to obtain licensing from Laboratory Field Services is 6 months from the time an application is made to them. We track students from the time of graduation for a period of 6 months to see if they have gained employment. Our employment numbers are lower than expected, due to the tracking window ending prior to eligibility for employment. Please direct any questions to [info@phlebotomyusa.com](mailto:info@phlebotomyusa.com).
